2021 STUDENT DESIGN COMPETITION

DESIGN

This year's design competition will feature four tracks, with four first-place winners selected from each track.

 Mechanical/Electrical

 Chemical/Biological

 Electrical/Computer Science

 Special 2021 Prize:
Anything related to COVID-19

IMPORTANT INFORMATION

- All Design Team members must be BMES Student members.
- Each track will have three finalists chosen (12 teams in total) to present their design to our judges in a final round in November 2021

AWARD

The 12 finalists will receive:

- 2 complimentary registrations to the 2021 Annual Meeting.
Finalists are not required to travel to participate in the 2021 Design Competition.

The top team from each track will receive:

- \$2,500
- An engraved trophy
- Opportunity to discuss your design further with Medtronic representatives.

TO APPLY
