NIH Funding Panel

Chair: Zeynep Erim (NIBIB)

Brief Description of Special Session: The session will provide an overview of NIH funding opportunities and resources particularly well-suited to the BME research community. NIH Program Officers and awardees will offer insights and “lessons learned” from the perspective of winning these NIH awards as well as in serving on NIH review panels. The session will explore how researchers may develop strategies to align their research interests with NIH opportunities and priorities. The session is supported by funding through the National Institutes of Health.
