

2027 BMES CMBE CONFERENCE

Mechanisms to Medicine

JANUARY 3-7, 2027
Hilton San Diego Bayfront | San Diego, CA

SPONSORSHIP PROSPECTUS

The 2027 BMES Cellular and Molecular Bioengineering (CMBE) Conference invites sponsors to join a vibrant community at the forefront of innovation in cellular and molecular bioengineering. Within this year's theme, *Mechanisms to Medicine: Engineering Across Biological Scales*, meeting attendees will explore how complex biological mechanisms are integrated to create functional humans with emergent properties, how dysregulation of these mechanisms leads to systems-level failures, and how cutting edge technologies in cell engineering, humanized in vitro systems, multiscale and systems-focused approaches, and computational methods can be leveraged to advance clinical medicine. Attendees will include many student and post-doc trainees, as well as many early career and established academic faculty. This is a unique opportunity to align your brand with a future-facing community committed to inspiring solutions through science, creativity, and collaboration.

SPONSORSHIP PACKAGES AND BENEFITS					
Maximize your impact with a sponsorship package. We have bundled promotional opportunities to reach our attendees, providing you with a great return on your investment.	Diamond \$10,000	Platinum \$5,000	Gold \$3,000	Silver \$1,500	Bronze \$1,000
Complimentary registration	•				
Sponsored handout given to all attendees at registration	•				
Description, logo and link featured on conference webpage	•	•			
Gala Dinner or Welcome Reception Sponsor	•	•			
Exhibit tabletop	•	•	•
